EDUCATION

Bachelor of Technology in Artificial Intelligence & Data Science

CGPA-9.12

Chennai Institute of Technology, Chennai, Tamil Nadu

(2021-2025)

INTERNSHIP EXPERIENCE

AJWORKS-Chennai

Data Science Intern

(May 2023 - July 2023)

- Accumulated practical expertise using **Informatica**, an ETL (Extract, Transform, Load) tool, while actively contributing to a project focused on developing an Operational Data Store (ODS).
- Collaborated with the team to enhance data accessibility and reliability for informed decision-making through the extraction, transformation, and loading (ETL) of data.

DATAVISION.AI-Hyderabad

Data Science Intern

(Aug 2023 –Sep 2023)

- Developed an efficient **Fast Api** based data processing and transformation application.
- Enhanced data accessibility and integrity, demonstrating technical expertise and team work as a data science intern.

LETSGROWMORE COMMUNITY

Web Development Intern

(May 2023 –June 2023)

- Effectively delivered web development projects showcasing expertise in both front-end and back-end development. Projects include the creation of dynamic **to-do lists**, **calculator**, and **student registration form**.
- Acquired hands-on experience in constructing user-friendly web applications and collaborating effectively within a team-oriented environment.

PROJECTS

Volume Control Using Hand Gesture

(Mar 2023)

- Conceived and implemented an inventive system enabling volume control through hand gestures, employing computer vision and machine learning techniques. Demonstrated robust problem-solving skills and technical proficiency in crafting a hands-free audio control solution.

Web Development Projects

(June 2023)

- I have effectively concluded various web development initiatives, encompassing a feature-rich to-do list, an intuitive student registration form, a visually appealing user grid card, and a functional calculator.

CERTIFICATIONS

- CISCO**-Introduction to Packet Tracer, Cybersecurity Essentials, Introduction to cybersecurity
- CODECHEF**- Python
- GUVI – AI for women
- SKILLRACK**- Python
- COURSERA**- Basics of HTML, CSS, JAVA
- MINDLUSTER**- Web Design UI UX Fundamentals
- GREAT LEARNING**- HTML, CSS

ACHIEVEMENTS

- Actively organized various technical & non-technical events
- Finalist in an Intra College Hackathon event (Build-A-thon)
- Accomplished Rajyapuraskar in scout and guide

SKILLS

Proficient: Python, SQL

Basics: Java

Web development: Html, CSS, JavaScript, React

Tools: Figma, Informatica
